

IMPORTANT: READ THIS NOTE BEFORE YOU UPGRADE

**FAILURE TO FOLLOW THESE INSTRUCTIONS WILL RESULT IN THE  
LOST OF ALL DATA!!!**

1. Locate where the Home School Central application is installed on your computer.
2. Copy the "DATA" folder to a known location.
3. Begin the installation of the upgrade or latest version of the software.
4. When the installation is complete, delete the new "DATA" folder and replace it with the old "DATA" folder.
